NEWSLETTER #3

THE FINAL COUNTDOWN!

Only a few more days and your new adventure at HAN University of Applied Sciences begins. In this last newsletter before the start you find a checklist for your arrival and everything you need to know about the HAN International Intro from 22 to 26 August. We are looking forward to meeting you!

CHECKLIST

BEFORE YOUR FIRST WEEK

- Registered for the introduction of your degree or exchange program (and paid the participation fee, if required)?
- Appointment made at City Hall to register as a new citizen – and the documents ready: passport or European ID card, a hard copy of your rental agreement and, if applicable, your IND approval letter?
- HAN account activated and passport photo uploaded for your HANCard?
- Connected your laptop and phone to eduroam?
- Arranged your health insurance and found a general practitioner near your home?

22 – 26 AUGUST

HAN INTERNATIONAL INTRO

The orientation for new international students starts with the **International Welcome Day**, organized by the International Office. Meet the international student associations and students from other programs – no need to sign up, everyone is welcome. The rest of the week is organized by your own degree or exchange program: check the HAN International Intro webpage for your program and its schedule.

FIND YOUR WAY

ARNHEM OR NIJMEGEN?

HAN has campuses in two cities. Most programs in (International) Business, Automotive, Communication & Information Technology, Built Environment and Engineering are taught on the Arnhem campus (Ruitenberglaan). The Nijmegen campus (Kapittelweg) hosts Life Sciences, Chemistry, Education and Health & Social Studies. Check where your program starts before your first day!

AFTER YOUR ARRIVAL

BSN, BANK ACCOUNT AND DIGID

At your City Hall appointment you receive your citizen service number (**BSN**). With your BSN you can open a Dutch bank account and apply for **DigiD**, your digital ID for government organizations. Please be on time for your appointment, and only schedule one appointment per person.
